January 28, 2016

Dear Business Owner,

Greetings. Absecon Little League has been formed to serve Absecon children who wish to participate in Little League baseball. Absecon Little League provides these services in conjunction with the Absecon Social and Athletic Club (ASAC) and the leagues served by each organization are separate and do not overlap. Both organizations exist to provide comprehensive recreational and competitive sports to preK - 8th grade children of Absecon. Each season these organizations look for sponsors for the upcoming sporting season. Right now we are looking for sponsors for our **Spring Baseball / Softball season** and hope you will help. We expect the 2016 program will have between 300 to 400 kids participating in all leagues combined.

A team sponsorship costs only \$100.00 and helps defray the costs of running the program including uniform costs, referee costs, and new equipment. In return, your company's name will be displayed prominently on the team's shirt showing your support for our Organization and the children of Absecon.

Please fill out the bottom portion and make your check payable to "Absecon Little League" and return in the enclosed envelope by March 15, 2016. If you wish to sponsor a particular age group or a specific child's team please note on the form. We will make every effort to honor this request in the order in which the forms are returned. As always, we appreciate your continued support.

Even if you do not plan on sponsoring this year, or this sport, please email our secretary at ASACLLSecy@gmail.com with a point of contact, phone, and email address so we may contact you easily in the future. You will receive emails only directly related to Absecon Little League and ASAC and your information will never be given out. Money we save on postage, ink, paper, and envelopes is money we can spend on the kids!

Thanks in advance,

Absecon Little League
